Samarkand the heart of Uzbekistan

Samarkand is one of the most ancient cities of Central Asia, comfortably located in the flourishing Zarafshan valley. For centuries, Samarkand was a key point of the Great Silk Road and served as a crossroads of cultures of East and West. Located in the Dzhambay region in one of the developed regions of Samarkand, the Central Exhibition Complex "SOF EXPO" is located, which is a platform for holding international exhibitions and major events throughout the country and the CIS countries.
